

## **e-waste and Lexmark supply drop-off FAQs**

### **What equipment can I turn in for eWaste?**

Any Safeway electronics (blackberry, laptop and accessories, desktop, printer, cables, monitors, etc.)

### **Why am I returning Lexmark supplies I ordered?**

All Lexmark multi-function printers are now set up to self-monitor themselves and automatically re-order toner when the device is close to being in need of replenishment.

### **Who pays for the supplies?**

The cost of the supplies will be distributed between the cost centers that utilize the devices.

### **What Lexmark supplies can I turn in?**

Anything the printer uses that can be monitored; including toner, photoconductors, maintenance kits, waste toner bottles/boxes, staples, and so on.

### **Will I receive credit for the unopened Lexmark consumables?**

We are working with Lexmark to obtain refunds for these items. Please provide your cost center, list of items and quantity.
